

**THIS IS THE HEALTH AND SAFETY POLICY STATEMENT OF  
AFREAKA AERIALS LLP**

**FEBRUARY 2023**

Afreaka Aerials LLP (“the Partnership”) provides Aerial and Circus based sport/fitness classes to its students and recognises that the Aerial and Circus training it provides is potentially dangerous as it involves acrobatic work at various heights. The Partnership fosters a safety first culture with its instructors and students, and through ongoing continuous development and training we apply the safest methodologies in our teaching approach.

## **Commitments**

The Partnership is committed to:

- providing adequate control of the health and safety risks arising from teaching activities
- working to prevent accidents and training related ill health/injury
- using and maintaining the proper equipment needed for each activity
- ensuring all instructors are competent to train the students to the level of their ability and give adequate training on a regular basis
- ensuring the safety of our students at all times
- reviewing and revising this policy statement regularly and in line with legislation changes

Our stated aims and objectives for the year 2023 are:

- To ensure all Health & Safety and associated policies are up to date
- To update all Risk Assessments
- To fully satisfy third parties we work with of our ability to operate in line with their policies

## **Implementation, maintenance and review**

The Designated Partners accept overall responsibility for all Health and Safety within the Partnership and are responsible for all policy implementations.
